Submission information:

Words

Submissions must be sent via email as separate attachments, saved in .doc/.docx format. The word count is max. 3000 words for original fiction/prose/essays and 50 lines for poetry. We will happily break these rules for the right piece.

For non-fiction, we ask for detailed, well-researched pitches up to 500 words.

We like to work closely with our authors, and we allow a significant period of time for attentive editing.

Art

For visual art, we ask for either finished pieces or detailed drafts.

Our pages are 170mm wide and 240mm high. Please supply any finished artwork as min. 300dpi, PDF, TIFF or high-quality JPEG files.

If you are submitting a detailed draft instead of a finished piece, then please include at least three examples of previous work – or, even better, a link to your portfolio. If your draft is accepted, a later deadline will be set for the finished piece.

Please find submission dates published on our website. For more information or if you need clarification regarding any of the above, please email us: info@fireflieszine.com
